## About the Solano Transportation Authority (STA)

The STA was created in 1990 through a Joint Powers Agreement between the cities of Benicia, Dixon, Fairfield, Rio Vista, Suisun City, Vacaville, Vallejo, and the County of Solano to serve as the Congestion Management Agency (CMA) for Solano. As the CMA for the Solano area, the STA partners with various transportation and planning agencies, such as the Metropolitan Transportation Commission (MTC) and Caltrans District 4.

The STA is responsible for countywide transportation planning, programming transportation funds, managing and providing transportation programs and services, delivering transportation projects, and setting transportation priorities.

The STA uses an open and inclusive public involvement process through various committees made up of local elected officials, public works directors, transit operators, and interested citizens.

For more information about the programs and the committees of STA that support these programs, see our family of websites:
