

**NOTICE OF PUBLIC HEARING  
ON  
PROPOSED SERVICE CHANGES TO  
SOLANOEXPRESS ROUTES**

NOTICE IS HEREBY GIVEN that on June 10<sup>th</sup>, at 6 p.m. the Solano Transportation Authority (STA) Board will conduct a virtual public hearing via Zoom (log in information will be provided on the agenda cover to be posted on STA's website one week prior to the meeting) in order to implement the SolanoExpress Partial Service Restoration Plan. The public hearing will provide information on the increased service to SolanoExpress and the restoration of passenger fare collection. SolanoExpress is a four-route transit system that is managed by the STA. The SolanoExpress lines that will be impacted include the following routes: Blue, GreenExpress, and the Yellow Line.

STA is proposing the SolanoExpress Partial Service Restoration Plan. The SolanoExpress Partial Service Restoration Plan will increase the overall service hours to the SolanoExpress transit system, allowing for more frequent travel opportunities for riders. The SolanoExpress Partial Service Restoration Plan will be implemented on July 5, 2020 by Fairfield and Suisun Transit (FAST), as well as, Solano County Transit (SolTrans) who operate SolanoExpress and generally restores service span, frequency, and coverage. Moreover, the collection of passenger fares will be reinstated on June 15, 2020.

Interested parties may provide input on the proposed SolanoExpress Partial Service Restoration Plan by submitting written comments and/or speaking at the public hearing.

Please submit comments by mail or in person to: Solano Transportation Authority, One Harbor Center, Suite 130, Suisun City, CA 94585; fax to (707) 424-6074; call (707) 399-3231; or by email to Brandon Thomson at [BThomson@sta.ca.gov](mailto:BThomson@sta.ca.gov).

Details on the proposed SolanoExpress Service Restoration Plan may be obtained online at [www.solanoexpress.com](http://www.solanoexpress.com) or by calling the Solano Mobility Call Center at 800-535-6883.
