

SOLANO TRANSPORTATION AUTHORITY

Finance and Budget Manager

All About STA

The STA was created in 1990 through a Joint Powers Agreement between the cities of Benicia, Dixon, Fairfield, Rio Vista, Suisun City, Vacaville, Vallejo and the County of Solano to serve as the Congestion Management Agency for Solano. As the Congestion Management Agency (CMA) for the Solano area, the STA partners with various transportation and planning agencies, such as the [Metropolitan Transportation Commission](#) (MTC) and [Caltrans District 4](#).

The STA is responsible for countywide transportation planning, programming transportation funds, managing and providing transportation programs and services, delivering transportation projects, and setting transportation priorities, and services as the Consolidated Transit Service Agency (CTSA) for Solano County. The STA uses an open and inclusive public involvement process through various committees made up of local elected officials, public works directors, transit operators, and interested citizens.

The STA is committed to continually improving Solano County's transportation system so that our residents have easy access to jobs, schools, shopping, medical appointments and essential services. To that end, the STA – working with each of the cities and the county – plans for, funds, manages and delivers a wide array of programs designed to keep Solano moving. While delivering transportation projects to ensure mobility, travel safety, and economic vitality is the STA's mission, preserving and improving the quality of life enjoyed by Solano County residents underscores all that we do. Our Mission Statement

"To improve the quality of life in Solano County by delivering transportation projects to ensure mobility, travel safety, and economic vitality for all."

The Community

Solano County is located in the northeast corner of the San Francisco Bay Area and is situated in close proximity to the Napa Valley and Sacramento region. Solano County benefits from mild winters and warm summers and is located conveniently close to recreational areas within and outside of Solano County. The STA's new office is located on the waterfront in Suisun City's historic and picturesque downtown. The office is located a short walk from a Capitol Corridor Train Station and two express bus lines with connections to the Bay Area and Sacramento.

The Position

Under direct supervision of the Executive Director, the Finance and Budget Manager is responsible for STA's accounting operations and financial reporting. This individual maintains internal controls and establishes operations procedures for the STA budget, project grants and funds, oversees the STA's financial systems and status reports, including funding receivable and expenditure coding. Further, the incumbent will: oversee the budget preparation and management; prepare monthly, quarterly, and year-end financial reporting and audits; provide oversight of the operations and activities related to insurance, risk management; serve as CalPERS liaison for contract administration/actuarials; monitor dozens of funding sources; and oversee payroll compliance. In addition, the Finance and Budget Manager will interact frequently with all STA department heads.

The Ideal Candidate

The ideal candidate will have thorough understanding of accounting, finance, budget, audit and grant operations and supervision, to include GAAP, GAAS and GFOA standards. Further, this individual will have strong verbal and, even more importantly, strong written communications skills for purposes of assisting in reporting to the Board. The STA is a fast-paced environment, so the incumbent will need to have the right temperament to thrive in those circumstances. A strong attention to detail and the ability to manage a large and diverse number of projects simultaneously is a must.
