The Cost of Living Reduction Act of 2025.

Bill information

Status: 03/26/2025 - Re-referred to Com. on U. & E.

Summary: Current law vests the State Energy Resources Conservation and Development Commission (Energy Commission) with various responsibilities for developing and implementing the state's energy policies. This bill, the Cost of Living Reduction Act of 2025, would require the Energy Commission and the Public Utilities Commission to post, and update monthly, dashboards on their internet websites that include the difference in average gasoline prices and the average total price of electricity or natural gas in California compared to national averages, and any California-specific taxes, fees, regulations, and policies that directly or indirectly contribute to higher gasoline and electricity or natural gas prices within the state, as specified. The bill would require the Energy Commission and the PUC, on or before July 1, 2026, to each submit a report to the Legislature on the governmental and nongovernmental drivers of California's higher gasoline prices and higher electricity and natural gas prices, and recommendations for policy changes to reduce the costs associated with those drivers, as specified. If the average price of gasoline in California exceeds 10% of the national average in the preceding quarter, the bill would require all taxes and fees on gasoline, as specified, to be suspended for a period of 6 months, and, if the average price of electricity or natural gas in California exceeds 10% of the national average in the preceding quarter, the bill would require the PUC to suspend the collection of all fees, as specified, charged on electricity and natural gas bills for a period of 6 months. Autonomous vehicles.

Bill information

Status: 09/11/2025 - Failed Deadline pursuant to Rule 61(a)(14). (Last location was INACTIVE FILE on 9/9/2025)(May be acted upon Jan 2026)

Summary: Would prohibit the delivery of commercial goods, as defined, directly to a residence or to a business for its use or retail sale through the operation of an autonomous vehicle without a human safety operator on any highway within the State of California. The bill would make a first violation of this provision subject to a \$10,000 administrative fine and a \$25,000 administrative fine for subsequent violations. The bill would authorize the department to suspend or revoke the permit of an autonomous vehicle manufacturer for repeated violations of this provision. (Based on 06/30/2025 text)

[AB 61](#)[Pacheco, D](#)[HTML](#)[PDF](#)**Electricity and natural gas: legislation imposing mandated programs and requirements: third-party review.****Bill information**

Status: 08/29/2025 - Failed Deadline pursuant to Rule 61(a)(11). (Last location was APPR. SUSPENSE FILE on 8/18/2025)(May be acted upon Jan 2026)

Summary: Current law vests the Public Utilities Commission with regulatory authority over public utilities, including electrical corporations and gas corporations. The Public Advocate's Office of the Public Utilities Commission is established as an independent office within the commission to represent and advocate on behalf of the interests of public utility customers and subscribers within the jurisdiction of the commission. This bill would require the office to establish, by January 1, 2027, a program to, upon request of the Legislature, analyze legislation that would establish a mandated requirement or program or otherwise affect electrical or gas ratepayers, as specified. Status: 05/23/2025 - Failed Deadline pursuant to Rule 61(a)(5). (Last location was APPR. SUSPENSE FILE on 4/30/2025)(May be acted upon Jan 2026)

Summary: Current law authorizes the Public Utilities Commission to fix the rates and charges for every public utility and requires that those rates and charges be just and reasonable. This bill would prohibit an electrical corporation from proposing a rate increase above the rate of inflation, as defined, as a systemwide average for any general rate case cycle, except the bill would expressly authorize the commission to approve a rate increase above the rate of inflation if the commission determines that the costs underlying the rate increase are directly related to safety enhancements and modernization or to higher commodity or fuel costs. Transportation budget trailer bill.

Bill information

Status: 09/13/2025 - Ordered to inactive file at the request of Senator Grayson.
Summary: Current law requires the State Air Resources Board to identify toxic air contaminants that are emitted into the ambient air of the state and to adopt airborne toxic control measures to reduce emissions of toxic air contaminants. Pursuant to its authority, the state board has adopted the Transport Refrigeration Unit Regulation to reduce emissions of toxic air contaminants and other pollutants from diesel-fueled transport refrigeration units used to power electrically driven refrigerated shipping containers and trailers that are operated in California. Current law authorizes the state board under certain circumstances to impose a fee to cover the cost of its regulation of specified activities. This bill would authorize the state board to impose a fee on any entity regulated by the state board under the Transport Refrigeration Unit Regulation for the state board's reasonable regulatory costs associated with the implementation, administration, and enforcement of that regulation, as specified. The bill would require the revenues collected from the fee to be deposited into the Certification and Compliance Fund and to be expended, upon appropriation by the Legislature, for those costs. Open meetings: local agencies: teleconferences.

Bill information

Status: 07/17/2025 - Failed Deadline pursuant to Rule 61(a)(10). (Last location was JUD. on 5/14/2025)(May be acted upon Jan 2026)
Summary: The Ralph M. Brown Act, requires, with specified exceptions, that all meetings of a legislative body, as defined, of a local agency be open and public and that all persons be permitted to attend and participate. Current law, until January 1, 2026, authorizes the legislative body of a local agency to use alternative teleconferencing if, during the teleconference meeting, at least a quorum of the members of the legislative body participates in person from a singular physical location clearly identified on the agenda that is open to the public and situated within the boundaries of the territory over which the local agency exercises jurisdiction, and the legislative body complies with prescribed requirements. Current law requires a member to satisfy specified requirements to

participate in a meeting remotely pursuant to these alternative teleconferencing provisions, including that specified circumstances apply. Current law establishes limits on the number of meetings a member may participate in solely by teleconference from a remote location pursuant to these alternative teleconferencing provisions, including prohibiting such participation for more than 2 meetings per year if the legislative body regularly meets once per month or less. This bill would extend the alternative teleconferencing procedures until January 1, 2030. (Based on 04/21/2025 text)

Fire hazard severity zones: State Fire Marshal.

Bill information

Status: 08/29/2025 - Failed Deadline pursuant to Rule 61(a)(11). (Last location was APPR. SUSPENSE FILE on 8/18/2025)(May be acted upon Jan 2026)

Summary: Current law requires the State Fire Marshal to identify areas in the state as moderate, high, and very high fire hazard severity zones, as specified. Current law also requires the State Fire Marshal to classify lands within state responsibility areas into fire hazard severity zones, and, by regulation, to designate fire hazard severity zones and assign to each zone a rating reflecting the degree of severity of fire hazard that is expected to prevail in the zone. Current law requires the State Fire Marshal to periodically review very high fire hazard severity zones that are not state responsibility areas, and designated and rated zones that are state responsibility areas, as provided. This bill would instead require the State Fire Marshal, at least once every 5 years, to review areas in the state identified as moderate, high, and very high fire hazard severity zones, and to review lands within state responsibility areas classified as fire hazard severity zones. Operators of toll facilities: interoperability programs: vehicle information.

Bill information

Status: 09/13/2025 - Failed Deadline pursuant to Rule 61(a)(14). (Last location was INACTIVE FILE on 9/13/2025)(May be acted upon Jan 2026)

Summary: Current law requires the Department of Transportation, in cooperation with the Golden Gate Bridge, Highway and Transportation District and all known entities planning to implement a toll facility, to develop and adopt functional specifications and standards for an automatic vehicle identification system in compliance with specified objectives, and generally requires any automatic vehicle identification system purchased or installed after January 1, 1991, to comply with those specifications and standards. Current law authorizes operators of toll facilities on federal-aid highways engaged in an interoperability program to provide, regarding a vehicle's use of the toll facility, only the license plate number, transponder identification number, date and time of the transaction, and identity of the agency operating the toll facility. This bill would instead authorize an operator of a toll facility on

federal-aid highways engaged in an interstate interoperability program to provide to an out-of-state toll agency or interstate interoperability tolling hub only the information regarding a vehicle's use of the toll facility that is license plate data, transponder data, or transaction data, and that is listed as "required" by specified national interoperability specifications. If the operator needs to collect other types of information to implement interstate interoperability, the bill would prohibit the operator from selling or otherwise providing that information to any other person or entity, as specified. Employer-employee relations: confidential communications.

Bill information

Status: 08/29/2025 - Failed Deadline pursuant to Rule 61(a)(11). (Last location was APPR. SUSPENSE FILE on 8/18/2025)(May be acted upon Jan 2026)

Summary: Current law that governs the labor relations of public employees and employers, including, among others, the Meyers-Milias-Brown Act, the Ralph C. Dills Act, provisions relating to public schools, and provisions relating to higher education, prohibits employers from taking certain actions relating to employee organization, including imposing or threatening to impose reprisals on employees, discriminating or threatening to discriminate against employees, or otherwise interfering with, restraining, or coercing employees because of their exercise of their guaranteed rights. Those provisions of current law further prohibit denying to employee organizations the rights guaranteed to them by current law. This bill would prohibit a public employer from questioning a public employee, a representative of a recognized employee organization, or an exclusive representative regarding communications made in confidence between an employee and an employee representative in connection with representation relating to any matter within the scope of the recognized employee organization's representation. Immigration enforcement: prohibitions on access, sharing information, and law enforcement collaboration.

Bill information

Status: 04/08/2025 - In committee: Set, second hearing. Hearing canceled at the request of author.

Summary: The California Values Act generally prohibits California law enforcement agencies from investigating, interrogating, detaining, detecting, or arresting persons for immigration enforcement purposes. Current law provides certain limited exceptions to this prohibition. This bill would prohibit California law enforcement agencies from collaborating with, or providing any information in writing, verbally, on in any other manner to, immigration authorities regarding proposed or currently underway immigration enforcement actions when the actions could be or are taking place within a radius of one mile of any childcare or daycare facility,

religious institution, place of worship, hospital, or medical office. To the extent this bill would impose additional duties on local law enforcement agencies or officials, the bill would impose a state-mandated local program. (Based on 02/05/2025 text)

California Public Records Act Ombudsperson.

Bill information

Status: 05/23/2025 - Failed Deadline pursuant to Rule 61(a)(5). (Last location was APPR. SUSPENSE FILE on 4/23/2025)(May be acted upon Jan 2026)

Summary: Would, until January 1, 2029, and subject to appropriation, establish the Office of the California Public Records Act Ombudsperson. The bill would require the Governor to appoint the ombudsperson subject to certain requirements. The bill would require the ombudsperson to receive and investigate requests for review, as defined, determine whether the denials of original requests, as defined, complied with the California Public Records Act, and issue written opinions of its determination, as provided. The bill would require the ombudsperson to create a process to that effect, and would authorize a member of the public to submit a request for review to the ombudsperson consistent with that process. The bill would require the ombudsperson, within 30 days from receipt of a request for review, to make a determination, as provided, and would require the state agency to provide the public record if the ombudsperson determines that it was improperly denied. The bill would require the ombudsperson to create a process through which a person whose information is contained in a record being reviewed may intervene to assert their privacy and confidentiality rights, and would otherwise require the ombudsperson to maintain the privacy and confidentiality of records, as provided. The bill would require the ombudsperson to report to the Legislature, on or before March 31, 2027, and annually thereafter, on, among other things, the number of requests for review the ombudsperson has received in the prior year. [AB 657](#)[Alvarez, D](#)[HTML](#)[PDF](#)**Otay Mesa East Toll Facility Act: public-private partnership agreements: toll revenues.****Bill information****Status:** 09/09/2025 - Re-referred to Com. on TRANS.

Summary: The Otay Mesa East Toll Facility Act authorizes the San Diego Association of Governments (SANDAG) to carry out a construction project for the State Highway Route 11 corridor, including, among other things, highway improvements and international border crossing facilities, to be operated as a toll facility. Existing law authorizes SANDAG to fix and revise from time to time and charge and collect tolls and other charges only for entrance to or the use of the corridor, as provided. Current law authorizes SANDAG to use specified alternative project delivery methods under certain conditions. Existing law requires toll revenues to be used for specified costs, as provided. Current law defines “project” for purposes of the act to include facilities, whether or not now in existence, acquired or constructed to facilitate the movement of goods and people along the corridor or at the Otay Mesa East Port of Entry. This bill would revise and recast the act by, among other things, (1) revising the definition of “project” for purposes of the act to include facilities, whether or not now in existence, acquired or constructed to facilitate the movement of goods and people adjacent to the Otay Mesa East Port of Entry or to facilitate the generation of revenue for, or related to, the Otay Mesa East Port of Entry, (2) authorizing public-private partnerships, as specified, as an alternative project delivery method, (3) authorizing SANDAG to also impose tolls and other charges for the use of a project or property covered by the act, and (4) adding payments to a private partner under a public-private partnership agreement to the categories of costs for which toll revenues are used under the act, as provided. California Environmental Quality Act: electrical infrastructure projects.

Bill information

Status: 05/23/2025 - Failed Deadline pursuant to Rule 61(a)(5). (Last location was APPR. SUSPENSE FILE on 5/14/2025)(May be acted upon Jan 2026)

Summary: The California Environmental Quality Act (CEQA) exempts certain projects from its requirements, including actions necessary to prevent or mitigate an emergency. Current law prohibits an electrical corporation from beginning the construction of a line, plant,

or system, or extensions of those facilities without first obtaining from the Public Utilities Commission a certificate that the present or future convenience and necessity require or will require the construction. Current law specifies that the certificate is not required for the extension, expansion, upgrade, or other modification of existing electrical transmission facilities. This bill would require the commission to determine whether to certify the environmental impact report for an electrical infrastructure project that is a priority project, as defined, no later than 270 days after the commission determines that an application for an electrical infrastructure project is complete, except as specified. The bill would require a project applicant to identify an electrical infrastructure project that is a priority project and the basis for the designation in the application to the commission. The bill would require commission staff to review an application for a priority project no later than 30 days after it is filed and notify the applicant in writing of any deficiencies in the information and data submitted in the application. The bill would require the applicant to correct any deficiencies or notify the commission in writing why it is unable to, to correct those deficiencies, as specified, within 60 days of that notification. The bill would require the commission to deem an application for a priority project complete with a preliminary ruling setting the scope and schedule, as provided. (Based on 04/23/2025 text)

Motor Vehicle Fuel Tax Law: suspension of tax.

Bill information

Status: 03/10/2025 - Referred to Com. on TRANS.

Summary: The Motor Vehicle Fuel Tax Law imposes a tax upon each gallon of motor vehicle fuel removed from a refinery or terminal rack in this state, entered into this state, or sold in this state, at a specified rate per gallon. Current unfair competition laws establish a

statutory cause of action for unfair competition, including any unlawful, unfair, or fraudulent business act or practice and unfair, deceptive, untrue, or misleading advertising and acts prohibited by false advertisement laws. This bill would suspend the imposition of the tax on motor vehicle fuels for one year. The bill would require that all savings realized based on the suspension of the motor vehicle fuels tax by a person other than an end consumer, as defined, be passed on to the end consumer, and would make the violation of this requirement an unfair business practice, in violation of unfair competition laws, as provided. The bill would require a seller of motor vehicle fuels to provide a receipt to a purchaser that indicates the amount of tax that would have otherwise applied to the transaction. Public works: prevailing wages.

Bill information

Status: 05/23/2025 - Failed Deadline pursuant to Rule 61(a)(5). (Last location was APPR. SUSPENSE FILE on 4/23/2025)(May be acted upon Jan 2026)

Summary: Current law requires that, except as specified, not less than the general prevailing rate of per diem wages, determined by the Director of Industrial Relations, be paid to workers employed on public works projects. Current law requires the body awarding a contract for a public work to obtain from the director the general prevailing rate of per diem wages for work of a similar character in the locality in which the public work is to be performed, and the general prevailing rate of per diem wages for holiday and overtime work, for each craft, classification, or type of worker needed to execute the contract. Under current law, if the director determines during any quarterly period that there has been a change in any prevailing rate of per diem wages in a locality, the director is required to make that change available to the awarding body and their determination is final. Under current law, that determination does not apply to public works contracts for which the notice to bidders has been published. This bill would instead state, commencing July 1, 2026, that if the director determines, within a semiannual period, that there is a change in any prevailing rate of per diem wages in a locality, that determination applies to any public works contract that is awarded or for which notice to bidders is published after July 1, 2026. The bill would authorize any contractor, awarding body, or specified representative affected by a change in rates on a particular contract to, within 20 days, file with the director a verified petition to review the determination of that rate, as specified. Motor Vehicle Fuel Tax Law: adjustment suspension.

Bill information

Status: 03/10/2025 - Referred to Com. on TRANS.

Summary: The Motor Vehicle Fuel Tax Law, administered by the California Department of Tax and Fee Administration, imposes a tax upon each gallon of motor vehicle fuel removed from a refinery or terminal rack in this state, entered into this state, or sold in this state, at a specified rate per gallon. Current law requires the department to adjust the tax on July 1 each year by a percentage amount equal to the increase in the California Consumer Price Index, as calculated by the Department of Finance. Article XIX of the California Constitution restricts the expenditure of revenues from the Motor Vehicle Fuel Tax Law, Diesel Fuel Tax Law, and other taxes imposed by the state on fuels used in motor vehicles upon public streets and highways to street and highway and

certain mass transit purposes. This bill would authorize the Governor to suspend an adjustment to the motor vehicle fuel tax, as described above, scheduled on or after July 1, 2025, upon making a determination that increasing the rate would impose an undue burden on low-income and middle-class families. Workplace surveillance.

Bill information

Status: 09/13/2025 - Failed Deadline pursuant to Rule 61(a)(14). (Last location was INACTIVE FILE on 9/13/2025)(May be acted upon Jan 2026)

Summary: Current law establishes the Division of Labor Standards Enforcement within the Department of Industrial Relations. Current law authorizes the division, which is headed by the Labor Commissioner, to enforce the Labor Code and all labor laws of the state the enforcement of which is not specifically vested in any other officer, board or commission. This bill would limit the use of workplace surveillance tools, as defined, by employers, including by prohibiting an employer from monitoring or surveilling workers in employee-only, employer-designated areas, as specified. The bill would provide workers with the right to leave behind workplace surveillance tools that are on their person or in their possession when entering certain employee-only areas and public bathrooms and during off-duty hours, as specified. The bill would prohibit a worker from removing or physically tampering with any component of a workplace surveillance tool that is part of or embedded in employer equipment or vehicles. Vehicles: Road Usage Charge Technical Advisory Committee.

Bill information

Status: 03/13/2025 - Referred to Com. on TRANS. (Set for hearing on 01/12/2026)

Calendar: 01/12/26 A-TRANSPORTATION 2:30 p.m. - 1021 O Street, Room 1100 WILSON, LORI, Chair

Summary: Current law requires the Chair of the California Transportation Commission to create a Road Usage Charge Technical Advisory Committee in consultation with the Secretary of Transportation to guide the development and evaluation of a pilot program assessing the potential for mileage-based revenue collection as an alternative to the gas tax system. Current law additionally requires the Transportation Agency, in consultation with the commission, to implement the pilot program, as specified. Current law repeals these provisions on January 1, 2027. This bill would extend the operation of the above-described provisions until January 1, 2035. (Based on 02/21/2025 text)

Open meetings: teleconferencing: subsidiary body.

Bill information

Status: 06/05/2025 - Failed Deadline pursuant to Rule 61(a)(8). (Last location was INACTIVE FILE on 6/3/2025)(May be acted upon Jan 2026)

Summary: The Ralph M. Brown Act requires, with specified exceptions, that all meetings of a legislative body, as defined, of a local agency be open and public and that all persons be permitted to attend and participate. The act generally requires for teleconferencing that the legislative body of a local agency that elects to use teleconferencing post agendas at all teleconference locations, identify each teleconference location in the notice and agenda of the meeting or proceeding, and have each teleconference location be accessible to the public. Current law also requires that, during the teleconference, at least a quorum of the members of the legislative body participate from locations within the boundaries of the territory over which the local agency exercises jurisdiction, except as specified. Current law, until January 1, 2026, authorizes specified neighborhood city councils to use alternate teleconferencing provisions related to notice, agenda, and public participation, as prescribed, if, among other requirements, the city council has adopted an authorizing resolution and 2/3 of the neighborhood city council votes to use alternate teleconference provisions, as specified This bill would authorize a subsidiary body, as defined, to use alternative teleconferencing provisions and would impose requirements for notice, agenda, and public participation, as prescribed. The bill would require the subsidiary body to post the agenda at each physical meeting location designated by the subsidiary body, as specified. The bill would require the members of the subsidiary body to visibly appear on camera during the open portion of a meeting that is publicly accessible via the internet or other online platform, as specified. The Affordable Housing Bond Act of 2026.

Bill information

Status: 02/19/2025 - From printer. May be acted upon on or after March 21.

Summary: Would enact the Affordable Housing Bond Act of 2026, which, if adopted, would authorize the issuance of bonds in the amount of \$10,000,000,000 pursuant to the State General Obligation Bond Law. Proceeds from the sale of these bonds would be used to finance programs to fund affordable rental housing and home ownership programs, including, among others, the Multifamily Housing Program, the CalHome Program, and the Joe Serna, Jr. Farmworker Housing Grant Program. [SB 445](#)[Wiener, D](#)[HTML](#)[PDF](#)**High-speed rail: third-party agreements, permits, and approvals: regulations.****Bill information**

Status:	08/28/2025 - Failed Deadline pursuant to Rule 61(a)(11). (Last location was APPR. SUSPENSE FILE on 8/20/2025)(May be acted upon Jan 2026)		
Summary:	Current law creates the High-Speed Rail Authority Office of the Inspector General (office) and authorizes the High-Speed Rail Authority Inspector General (inspector general) to initiate an audit or review regarding oversight related to delivery of the high-speed rail project undertaken by the authority and the selection and oversight of contractors related to that project. Current law requires the inspector general to submit annual reports to the Legislature and Governor regarding its findings. This bill would require the authority, on or before July 1, 2026, to develop and adopt internal rules, as defined, setting forth standards and timelines for the authority to engage utilities to ensure coordination and cooperation in relocating utility infrastructure or otherwise resolving utility conflicts affecting the delivery of the high-speed rail project. The bill would require the authority to ensure that the internal rules, among other things, identify the circumstances under which the authority would be required seek to enter into a cooperative agreement with a utility that, where relevant, identifies who is responsible for specific utility relocations, as specified. [SB 496](#)[Hurtado, D](#)[HTML](#)[PDF](#)**Advanced Clean Fleets Regulation: appeals advisory committee: exemptions.****Bill information**

Status:	05/23/2025 - Failed Deadline pursuant to Rule 61(a)(5). (Last location was APPR. SUSPENSE FILE on 5/5/2025)(May be acted upon Jan 2026)		
Summary:	The California Global Warming Solutions Act of 2006 establishes the State Air Resources Board as the state agency responsible for monitoring and regulating sources emitting greenhouse gases and requires the state board to adopt rules and regulations to achieve the maximum technologically feasible and cost-effective greenhouse gas emission reductions from those sources. Pursuant to its authority, the state board has adopted the Advanced Clean Fleets Regulation, which imposes various requirements for transitioning local, state, and federal government fleets of medium- and heavy-duty trucks, other high-priority fleets of medium- and heavy-duty trucks, and drayage trucks to zero-emission vehicles. The Advanced Clean Fleets Regulation authorizes entities subject to the regulation to apply for exemptions from its requirements under certain circumstances. This bill would require the state board to establish the Advanced Clean Fleets Regulation Appeals Advisory Committee by an unspecified date for purposes of reviewing appeals of denied requests for exemptions from the requirements of the Advanced Clean Fleets Regulation. The bill would require the committee to include representatives of specified governmental and nongovernmental entities. The bill would require the committee to meet monthly and would require recordings of its meetings to be made publicly available on the state board's internet website. The bill would require the committee to consider, and make a recommendation on, an appeal of an exemption request denial no later than 60 days after the appeal is made. The bill would require specified		

information relating to the committee's consideration of an appeal to be made publicly available on the state board's internet website. (Based on 04/07/2025 text)

Electricity: deenergization events: communications.

Bill information

Status: 05/23/2025 - Failed Deadline pursuant to Rule 61(a)(5). (Last location was APPR. SUSPENSE FILE on 5/5/2025)(May be acted upon Jan 2026)

Summary: Current law requires each electrical corporation to annually prepare a wildfire mitigation plan and to submit the plan to the Office of Energy Infrastructure Safety for review and approval, as specified. Current law requires a wildfire mitigation plan of an electrical corporation to include, among other things, protocols for deenergizing portions of the electrical distribution system that consider the associated impacts on public safety, and protocols related to mitigating the public safety impacts of those protocols, including impacts on critical first responders and on health and communications infrastructure. Current law requires a wildfire mitigation plan of an electrical corporation to also include appropriate and feasible procedures for notifying a customer who may be impacted by the deenergizing of electrical lines and requires these procedures to consider the need to notify, as a priority, critical first responders, health care facilities, and operators of telecommunications infrastructure with premises within the footprint of a potential deenergization event. This bill would require, consistent with the above-described protocols, an electrical corporation to immediately notify, when possible and at the time a decision to conduct a deenergization event is made, public safety partners about the potential public safety impacts of the deenergization event, as specified. The bill would require detailed status information on restoration efforts to be made available to emergency management organizations, public safety officials, customers, and the public, where feasible, with regular progress updates issued at intervals of no more than 12 hours, for all impacted circuits, as specified. The bill would require, in advance of a deenergization event, an electrical corporation to make a reasonable effort to publish and make available weather conditions observed within the affected circuit being considered for deenergization, as provided. Department of Transportation: homeless encampments.

Bill information

Status: 07/17/2025 - Failed Deadline pursuant to Rule 61(a)(10). (Last location was TRANS. on 6/16/2025)(May be acted upon Jan 2026)

Summary: Current law authorizes the Department of Transportation to establish maintenance programs related to highway cleanup, as specified. This bill would require the department to establish a dedicated liaison to, among other things, facilitate communication

with local governments and relevant state agencies with regard to addressing homeless encampments within the state highway system and to oversee the development and implementation of delegated maintenance agreements between local agencies and the department in which both work together to reduce and remove homeless encampments within the department's jurisdiction. The bill would authorize the department to grant a single general entry permit for the duration of a delegated maintenance agreement to conduct activities authorized by the bill. The bill would require the department to submit an annual report to the Legislature summarizing specified information and recommendations regarding homeless encampments. (Based on 04/21/2025 text)

Zero-emission vehicles: workforce development: Clean Energy Workforce Training Council.

Bill information

Status: 03/12/2025 - Referred to Com. on RLS.

Summary: Current law requires the Deputy Secretary for Climate to perform specified duties, including creating or coordinating programs with other state agencies to retrain and upskill workers for, among other jobs, clean energy jobs, as specified. This bill would state the intent of the Legislature to enact legislation that would establish a zero-emission vehicle workforce development pilot project and a Clean Energy Workforce Training Council, as provided. Sales and use taxes: exemptions: California Hybrid and Zero-Emission Truck and Bus Voucher Incentive Project: transit buses.

Bill information

Status: 05/23/2025 - May 23 hearing: Held in committee and under submission.

Summary: Existing state sales and use tax laws impose a tax on retailers measured by the gross receipts from the sale of tangible personal property sold at retail in this state or on the storage, use, or other consumption in this state of tangible personal property purchased from a retailer for storage, use, or other consumption in this state. The Sales and Use Tax Law provides various exemptions from those taxes, including, until January 1, 2026, an exemption from those taxes with respect to the sale in this state of, and the storage, use, or other consumption in this state of, specified zero-emission technology transit buses sold to specified public agencies that are eligible for specified incentives from the State Air Resources Board. This bill would extend the exemption for specified zero-emission technology transit buses until January 1, 2028. This bill contains other related provisions. (Based on 02/21/2025 text)
